

2022 Children's of Alabama Donor List

Children's
of Alabama®

2022 GIFTS

Though we cannot list them all here, we would like to thank each of the donors who supported Children's of Alabama in 2022. Philanthropy enables Children's of Alabama to continue its mission to provide the finest pediatric health services to all children in an environment that fosters excellence in research and medical education. We list donors by gift size, but when it comes to caring for children, every gift matters.

Thank you for your generous support.

ST. NICHOLAS SOCIETY

We extend our appreciation to those whose lifetime support of Children's of Alabama exceeds \$100,000.

We know that people do not make significant charitable contributions in order to become members in a giving society. However, we want to recognize these special donors. They are proof that every gift matters. Membership in this society can be from a single gift or many gifts contributed over time.

Members of the St. Nicholas Society remind us all that every child matters and their generous support has helped Children's of Alabama continue to provide state of the art, family-centered care to children.

FAMILY FRIENDS

In times of crisis, Family Friends are there to help especially when it involves a child. That's why at Children's of Alabama we call our most generous supporters, like you, Family Friends.

From early morning surgeries to late night emergencies, Children's of Alabama is committed to our promise to care for every child. Despite the difficult challenges we have faced together from the COVID-19 health crisis, your support helped us respond quickly and continue serving safely. Your generosity inspires us today and gives us hope for brighter futures for the children in our care tomorrow.
